2012 EQUIPMENT NEWSLETTER

FleetOwner

THE INFORMATION SOURCE FOR TRUCKING

FLEET OWNER EQUIPMENT NEWS

NEW PRODUCT AND SERVICE NEWS FOR THE TRUCKING INDUSTRY

Fleet Owner Equipment News is a regular e-newsletter written written for fleet managers and executives at private and for-hire commercial businesses.

Written by the award-winning staff of *Fleet Owner* and its companion website, FleetOwner.com, the e-newsletter delivers new product and service news for the trucking industry.

Fleet Owner Equipment News covers the latest product offerings and technologies from some of the leading companies serving commercial fleets, following trends shaping the industry and offering insights on new products and services that could help fleet owners and managers run their operations more efficiently and profitably.
